The impassioned love of two teenagers leaves a path of destruction in its perilous wake Seventeen-year-old David Axelrod is consumed with his love for Jade Butterfield. So when Jade's father exiles him from their home, David does the only thing he thinks is rational: He burns down their house. Sentenced to a psychiatric institution, David's obsession metastasizes, and upon his release, he sets out to win the Butterfields back by any means necessary. Brilliantly written and intensely sexual, Endless Love is the deeply moving story of a first love so powerful that it becomes dangerous—not only for the young lovers, but for their families as well. This ebook features an illustrated biography of Scott Spencer, including rare photos from the author's personal collection.
