In 1997, he founded the Dr. Theodore Atlas Foundation to honor the memory of his father. The foundation awards scholarships and grants to individuals and organizations. Atlas published his autobiography, *Atlas: From the Streets to the Ring: A Son's Struggle to Become a Man*, in 2006. The book covers many different periods of Atlas's life and compares his position as trainer to a role as a father.

At the start, Iranian officials downplayed COVID-19 — denying the mounting toll of infections, refusing to close mosques, making half-hearted gestures at locking down businesses. That was then. This is now: Even Supreme Leader Ayatollah Ali Khamenei has worn disposable gloves while planting a tree for state media, and he prayed in an empty mosque to mark the holy Shiite commemoration of Ashoura.

What Was Microsoft Streets and Trips? Microsoft Streets and Trips was a mapping and routing program that helped lay the foundation for personal GPS systems. Now discontinued, it was a computer program that mapped out streets, businesses and places of interest — as well as displayed pins on a map and built multi-stop routes from place to place.
