Last week, William found this owl treading water in our swimming pool at 6 am. The poor thing was exhausted and I am guessing he had been there for several hours. William used the pool skimmer to help him out and the owl sat in the corner of the yard for the next 6 hours without budging from his spot.

I had made a similar bag from this book once before. It's a fantastic book, Easy to Make Totes with Zippers by Cindy Taylor Oates, from 2003 I think. The directions are clear and just detailed enough with drawings for anything that's hard to describe. I'm 99% sure I got the book on Ebay super cheap.
