Defiance tells the story about Jews during WWII, not as meek victims but as fighters for survival. Tuvia Bielski, a Belorussian peasant, has the necessary charisma to lead an independently minded people--not an easy task but vital. Tec puts a human face on history as she relates the struggles and resourcefulness of individuals who must adapt or die.

The Bielski partisans were a unit of Jewish partisans who rescued Jews from extermination and fought the German occupiers and their collaborators around Nowogródek and Lida in German-occupied Poland. The partisan unit was named after the Bielskis, a family of Polish Jews who organized and led the organization. The Bielski partisans spent more than two years living in the forest. By the end of the war they numbered as many as 1,236 members, most of whom were non-combatants, including ...

2.5 stars Defiance is the true story of a group of jews who survived World War 2 hiding out in the forests of Belarus. Although there were other otriads of partisans, the Bielski Otriad, led by the the three Bielski brothers was the bravest. They would accept any jewish person - young or old, fighter or not.

The prevailing image of European Jews during the Holocaust is one of helpless victims, but in fact many Jews struggled against the terrors of the Third Reich. In Defiance, Nechama Tec offers a riveting history of one such group, a forest community in western Belorussia that would number more than 1,200 Jews by 1944--the largest armed rescue operation of Jews by Jews in World War II. Tec reveals that this extraordinary community included both men and women, some with weapons, but mostly unarmed, ranging from infants to the elderly. She reconstructs for the first time the amazing details of how these partisans and their families--hungry, exposed to the harsh winter weather--managed not only to survive, but to offer protection to all Jewish fugitives who could find their way to them. Arguing that this success would have been unthinkable without the vision of one man, Tec offers penetrating insight into the group's commander, Tuvia Bielski. Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents, wife, and two brothers to the Nazis, yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans. She shows how, under Bielski's guidance, the partisans smuggled Jews out of heavily guarded ghettos, scouted the roads for fugitives, and led retaliatory raids against Belorussian peasants who collaborated with the Nazis. Herself a Holocaust survivor, Nechama Tec here draws on wide-ranging research and never before published interviews with surviving partisans--including Tuvia Bielski himself--to reconstruct here the poignant and unforgettable story of those who chose to fight.

The heroic story of Jewish resistance and survival during the Second World War.

It sounds like something from ancient mythology- three brothers living near the edge of a forest witness the coming of an invading army. They arm themselves, take to their horses and seek refuge in the woods they know as well as they know anything. The enemy arrives and systematically starts killing the long-

oppressed minority to which the brothers belong. Horrified and angered, they lead guerrilla attacks against the enemy's installations and exact vicious revenge on local collaborators. Prompted by the eldest, who is selected as commander, the brothers and a growing numbers of warriors begin a campaign to save all their people, including the weak, the young, the old, the sick. Slowly the group evolves into a makeshift forest city with a hospital, workshops, a school and even a bathhouse. When the invading army retreats, the brothers emerge from the woods- the saviours of 1,250 people.

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle's shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942-43 and became Jewish partisans who fought back against the Nazis. The couple's careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle's story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. "A story of heroism and of touching romance in a time of fear and danger." —USA Today

Recounts the story of Oswald Rufeisen, a Jew who was able to pass as Polish-German and who worked for the German police during World War II, enabling him to save other Jews
