Empire of the Senseless (Picador Books) - Amazon.co.uk »

A heavy fog of a dream, punctuated by acts of violence, raw language, and humor - Kathy Acker's dystopia is an unflinching look at humanity from its lowest cesspool. Difficult to read at times, and the worst kind of book to read during a depression - Empire of the Senseless is still a brilliant book.

Empire of the Senseless by Acker - AbeBooks

Kathy Acker, Empire of the Senseless. Grove Press, New York, 1988. just as the dominated classes' ideological structures determine their future political, economic, and moral situations; my own view of my position to my boss determines my relation to my boss. These thoughts in the sailor went round and round like hamsters strung out on dex.

Empire of the Senseless - Acker, Kathy - Amazon.co.uk »

Set in the near future, in a Paris devastated by revolution and disease, Empire of the Senseless is narrated by two terrorists and occasional lovers, Thivai, a pirate, and Abhor, part robot and part human. Together and apart, the two undertake an odyssey of carnage, a holocaust of the erotic. "An elegy for the world of our fathers," as Kathy Acker calls it, where the terrorists and the wretched of the earth are in command, marching down a road charted by Genet to a Marseillaise composed by Sade.

Originally published in 1988, Empire of the Senseless marked a turning point in Acker's wild, inimitable style. Considered one of her more accessible works, here Acker candidly addresses her lifelong obsessions: childhood and trauma, language and sexuality, criminality and corruption, oppression and rebellion. Abhor (part human, part robot) and her lover Thivai (a pirate) traverse Paris in a dystopian future, in search of a mysterious drug that Thivai needs in order to maintain his ability to love. Navigating the chaotic city, they encounter mad doctors, prisoners, bikers, sailors, tattooists, terrorists, and prostitutes, while a band of Algerian revolutionaries take over, and the C. I. A. plots to thwart them all. Sexually explicit, graphically violent, Empire of the Senseless resists the desensitizing of cultural consciousness and the disintegration of interpersonal communication. A timeless, prescient parable, it speaks profoundly to our social and political history as well as our present reality.

In her 10th novel, Acker's heroine, Laurie, is a woman helpless before the fury of her emotons. Love-obsessed, Laurie is plunged into a harrowing dilemma—sexuality and her feminism are the two poles that threaten to obliterate her inner poise, the false magic of her woman's identity.

The Childlike Life of the Black Tarantula by the Black Tarantula; I Dreamt I Was a Nymphomaniac; The Adult Life of Toulouse-Lautrec by Henri Toulouse-Lautrec

A retelling of Robert Louis Stevenson's Treasure Island, Pussy, King of the Pirates is a dizzyingly imaginative toray through world history, literature, and language itself.

Empire of the Senseless - Acker, Kathy - Amazon.com.au: Books

Kathy Acker's practice of literary appropriation and pastiche made her notorious:as a rebel and a groundbreaker:when Great Expectations was first published in 1982. Here, she begins rewriting Charles Dickens's classic:splicing it with passages from Pierre Guyotat's sexually violent Eden, Eden, Eden, among other texts:alongside Acker's trademark pithy dialogue, as well as prank misses to the likes of Susan Sontag, Sylvère Lotringer, and God. At the center of this form-shifting narrative, Acker's protagonist collects an inheritance following her mother's suicide, which compels her to revisit and reinterpret traumatic scenes from the past. Switching perspectives, identities, genders, and centuries, the speaker lustily ransacks world literature to celebrate and challenge the discourse around art, love, life, and death.

A masterpiece of surrealist fiction, steeped in controversy upon its first publication in 1984, Blood and Guts in High School is the book that established Kathy Acker as the preeminent voice of post-punk feminism. With 2017 marking the 70th anniversary of her birth, as well as the 10th year since her death this transgressive work of philosophical, political, and sexual insight:with a new introduction by Chris Kraus:continues to become more relevant than ever before. In the Mexican city of Merida, ten-year-old Janey lives with Johnny:her :boyfriend, brother, sister, money, amusement, and father:until he leaves her for another woman. Bereft, Janey travels to New York City, plunging into an underworld of gangs and prostitution. After escaping imprisonment, she flees to Tangiers where she meets Jean Genet, and they begin a torrid affair that will lead Janey to her demise. Fantastical, sensual, and fearlessly radical, this hallucinatory collage is both a comic and tragic portrait of erotic awakening.

Recently discovered and never before published, these two short novels were written in the early 1970s, at the beginning of Acker's writing career. Published together here, they reveal a young writer on a literary romp, imposing an original, sexy, and subversive world view that is unmistakably Acker.

Kathy Acker's characteristically outrageous, lyrical, and hyperinventive novel concerns three characters who share an impulse toward self-immolation through doomed, obsessive romance. Teetering somewhere between the Beats and Punk, IN MEMORIAM TO IDENTITY is at once a revelatory addition to, and an irreverent critique of, literature of decadence and self-destruction.
