The guerrilla marketing concept contains building interaction with customers. Social media improve the

Online Library Guerrilla Social Media Marketing 100 Weapons To Grow Your  
everyday communication process between persons from different sides of the world. On the other side, a guerrilla marketing concept is something that talks about breaking down barriers in the dialogue between business people and customers. It becomes clear that building a social media presence of the businesses is one of the possible guerrilla marketing weapons.

Guerrilla Marketing Concept With Social Media ...  
Annoyingly, social media marketing relies on a brand ' s ability to find that sweet spot right in the middle of posting enough content, but not spamming your followers ' feed by posting too much or sharing content that is irrelevant or unnecessary.
