Diamond continues this throughout the book letting readers get in on a clear understanding on everything going on in the historical events he describes. In the book Guns, Germs and Steel, Jarred Diamond goes about answering his main question using a few different ways.

Guns Germs and Steel Chapter 4—FreebookSummary

Every time a "takedown" of Guns, Germs and Steel is posted, I feel like you all read a different book than I did. My takeaway from the book was basically that the wider diversity of useful plants and livestock available in Europe and Asia led to the development of civilizations in these areas, as opposed to the Americas and Africa.
