10 Things About Love Only Introverts Would Understand

Introverts love their silent time alone because it ' s the only time they could truly feel like themselves. But there ' s a worth wild feeling of neglecting those pleasures in exchange for spending time with someone who makes you feel special and wanted.

How to Know if an Introvert is in Love With You

Introverts are not extravagant and loud when it comes to expressing love, but there are some clear signs that an introvert likes you. They will leave ample hints that are a bit more elusive in nature. It is upon you to pick up the hints of love that your introvert partner leaves, because he/she might not tell you about them in an obvious manner.

10 unconventional ways introverts show their love for you

Quiet, the Sunday Times and New York Times Bestseller by Susan Cain, will permanently change how we see introverts - and how you see yourself.. Our lives are driven by a fact most of us can't name and don't understand: whether we're an introvert or an extrovert. This defines who our friends and lovers are, which careers we choose, and whether we blush when we're embarrassed.
