Get this from a library! Keeping the love you find. [Harville Hendrix] -- Teaches single adults to recognize how life experiences have shaped their outlook toward love and how to work through preformed attitudes and romantic trouble spots to find intimacy.

A guide to finding and keeping love shows readers how to meet the challenges of a new relationship, avoid making the same mistakes, deal with emotional issues, and improve their odds

A marriage therapist and pastoral counselor explains that most of the feelings of receiving inadequate love come from unresolved childhood conflicts and describes how adults can learn to flourish as loving and loved people, in a new edition of the best-selling handbook. Reprint. 50,000 first printing.

Provides daily meditations and exercises for singles to help create deep and lasting love relationships

This groundbreaking book from the best-selling authors of *Getting the Love You Want* and coauthors of *Giving the Love that Heals*

# Access Free Keeping The Love You Find A Personal Guide

is the first to address the biggest unexplored issue facing couples today: Most of us are better at giving love than accepting it. We don't realize all the ways that our resistance to appreciation, praise, compliments, and accepting help from others hurts us and cripples our relationships. Many partners learn how to give love, but many more undermine their relationships by forgetting something that is equally important -- learning to receive it. According to the authors, the root of the problem is the self-rejection that began in childhood, when our parents and caretakers unintentionally failed to nurture or directly rejected traits, characteristics, or impulses when we were children. We end up rejecting in ourselves whatever our caretakers ignored or rejected in the course of our childhoods. When we become adults, this makes it impossible to let in the love we want and need, even when our partners offer it. As a result, we dismiss compliments, minimize gestures of affection, and create obstacles to true intimacy. In this book, Harville Hendrix and Helen LaKelly Hunt, co-creators of Imago Relationship Therapy, offer a definitive guide to breaking the shackles of self-rejection and embracing the love our partners offer. Receiving Love is a very personal book for Drs. Hendrix and Hunt, and much of their own journey is the inspiration for it. Drawing on their renowned expertise, the wide clinical experience of hundreds of Imago

therapists, and their own personal experience, the authors are able to offer detailed guidance on how to conquer the problems that come from self-rejection and embrace the gifts that are abundant in every person's life, if only we knew how to accept them. With its groundbreaking theory, challenging processes, and inspiring examples, this book holds the key to loving relationships that last.

Your dream of finding a partner is a natural and normal human instinct and your dream is perfectly achievable. Whatever your history, whatever your heartbreak, as a single person you are in an ideal position to learn what you need to know and what you can do to greatly improve your chances for finding, and keeping, love. With KEEPING THE LOVE YOU FIND, renowned relationship therapist and bestselling author Harville Hendrix will help you to:

- IDENTIFY your Imago - the fantasy partner that your unconscious mind, which has a hidden agenda of its own, has chosen for you
- BREAK FREE from those patterns in your parents' marriage that you have unknowingly accepted as your relationship model
- CREATE hope in place of despair, companionship instead of loneliness
- DEVELOP communication skills to turn conflict into contact - and togetherness
- TRANSFORM every past relationship into a source of positive growth
- DISCOVER the rewards of real love - and the little things that make it last ... and more.

Filled with wisdom and compassion, KEEPING THE LOVE YOU FIND will help get your next relationship off to the best start and keep your love strong for a lifetime.

The first-ever book on Imago Relationship Therapy from its creators geared toward therapists. Developed by Harville Hendrix and Helen LaKelly Hunt in the 1980s, Imago Relationship Therapy helps couples—and everyone in significant relationships—shift from conflict to connection by transforming the quality of their interactions. Now, for the first time, the essential principles and practices of Imago, as illustrated in the New York Times bestseller *Getting the Love You Want*, are presented for the benefit of both novice and seasoned clinicians. Using the Imago processes, couples create a Conscious Partnership in which they feel safe, fully alive, and joyful, learning to be mutually empathic for each other's childhood challenges and present to each other without judgement. Hendrix and Hunt help couples learn and practice Imago Dialogue, moving from blame and reactivity to mutual acceptance, affirmation, and empathy, thus deepening their connection. Joining theory and practice with elegance, and filled with examples, exercises, and dialogues, this is a book no couples therapist can afford to be without.

# Access Free Keeping The Love You Find A Personal Guide

coach outlines a straightforward, optimistic guide to finding romance, discussing how to assess one's marriage suitability, relationship etiquette in modern times, and the appropriate use of current technology.

Imago Relationship Therapy It's been more than three decades since Harville Hendrix and Helen LaKelly Hunt—the best-selling authors of *Getting the Love You Want* and *Keeping the Love You Find*—created Imago Relationship Therapy. Their concept of the "conscious marriage" introduced a new paradigm for understanding the dynamics of couples. Since that time more than two thousand clinicians in twenty-eight countries have adopted and implemented this highly effective form of couples therapy. This groundbreaking book offers an overview of the highly successful Imago Relationship Therapy (IRT) and the relationship of IRT with preceding schools of thought such as psychoanalytic theory, family systems theories, affect theory, and self-psychology. At the heart of IRT is a three-step process involving mirroring (reflecting) the partner's feelings, validating the partner's point of view, and expressing empathy toward the partner's feelings. Imago Relationship Therapy traces IRT's history and explosive growth and outlines the differences and similarities between Imago theory and other models of couples therapy. The book also presents some of the ideas of prominent Imago thinkers, such as the central role of

# Access Free Keeping The Love You Find A Personal Guide

connectivity and the problem of envy in committed relationships. "A uniquely important book for the practitioner, which provides clinical wisdom and a rare look into the heart and soul of Imago Relationship Therapy." —Pat Love, Ed.D., author, *The Truth About Love*

Draws on extensive research, counseling workshops with couples and the authors' own 30-year relationship to distill basic, provocative truths about marriage and provide essential tools for rendering a marriage more rewarding and positive. 50,000 first printing.
