Two of these, the Albigensians and the Waldensians, serve as examples of the different reasons for the rise of such anti-clerical movements. Before discussing either in any detail, though, you should be warned that most of the information that we have regarding these, and other such groups, were written by Church officers and preserved by the Church.

The Rise of Popular Heresies| Lectures in Medieval History ...

Although Europe was nominally orthodox Christian throughout the Middle Ages, there were a number of movements which questioned the Church ' s teachings and sought to establish their own version of Christianity or, as in the case of the Paulicians, Bogomils, and Cathars, a kind of sister- religion which drew on the tenets of Persian Manichaeism, Greek Gnosticism, and Christianity.

Medieval Heresy: Popular Movements from the Gregorian ...

First Published in 1977, this history of the great heretical movements of the middle ages provides a vivid account of the dark, often secret, world of dissent and protest against the medieval churches of Rome and Byzantium. Malcolm Lambert examines the origins and nature of these heresies, and looks at how medieval churchmen grappled with deviation, sometimes by preaching and argument, more often by armed force, imprisonment and the stake.

Medieval Heresy: Popular Movements from the Gregorian ...

The third edition of this comprehensive History of the great heretical movements of the Middle Ages assesses a new mood of skepticism among historians about the accuracy of accusations of heresy in the eleventh and twelfth Centuries. It gives fresh insight into the inquisitional process, and the rise and fall of Catharism, and offers a new account of the moving dialogue between Bishop Fournier and the Waldensian Deacon, Raymond de Sainte Foy, and of research on urban Waldensianism.

Medieval Heresy: Popular Movements from the Gregorian ...

Lambert does a good job of giving the reader an overview of Medieval heresy. We learn about the Cathars, Waldensians, Lollards, Hussites and others, who ran into conflict with church teachings or practice.

Bogomilism was a Christian neo-Gnostic or dualist sect founded in the First Bulgarian Empire by the priest Bogomil during the reign of Tsar Peter I in the 10th century. It most probably arose in what is today the region of Macedonia. The Bogomils called for a return to what they considered to be early spiritual teaching, rejecting the ecclesiastical hierarchy, and their primary political tendencies were resistance to the state and church authorities. This helped the movement spread quickly in th
