Mind Games by Teri Terry (published 2015) is a young adult, science fiction novel set in a dystopian future where virtual reality has taken over. I bought this book a couple of years ago, because I had read and enjoyed some of Terry's other work, including her award-winning series, Slated, but did not pick it up until last month. Read on

Teri Terry has a very distinct, very recognisable voice. I spent a lot of my time thinking about Mind Games and the Slated trilogy, because her style alone took me back. If you have liked any of her books, you'll like this one too.
