Cameron Winters is a freak. Fortunately, no one but her family knows the truth...that Cameron can read minds. For years Cameron has hidden behind a facade of normalcy, warned that there are those who would do her harm. When gorgeous and mysterious Lewis Douglas arrives he destroys everything Cameron has ever believed and tempts her with possibilities of freedom. Determined to embrace her hidden talents, Cameron heads to a secret haven with Lewis; a place where she meets others like her, Mind Readers. But as Cameron soon finds out some things are too good to be true. When the Mind Readers realize the extent of Cameron's abilities, they want to use her powers for their own needs. Cameron suddenly finds herself involved in a war in which her idea of what is right and wrong is greatly tested. In the end she'll be forced to make a choice that will not only threaten her relationship with Lewis, but her very life. This young adult book is best for ages 14 and over. Book 1: The Mind Readers Book 2: The Mind Thieves Book 3: The Mind Games

Renowned mentalist Lior Suchard has mystified audiences all over the world with demonstrations of his phenomenal gifts of mind reading, thought influencing, and telekinesis. In Mind Reader, Suchard celebrates the extraordinary capacity of the mind and shares secrets from his own performances and life stories, as well as from psychological studies. His creativity-boosting techniques enable readers to embrace their inner mentalist--and harness untapped mental powers to create positive change in their day-to-day life. Filled with illusions, riddles, puzzles, and practical tips, Mind Reader will help you unlock the hidden powers of your own mind.

A mysterious invention causes mayhem in a coastal English village--from "my very favourite of the four Queens of Crime" (J. K. Rowling). The ancient hamlet of Saltey, once the haunt of smugglers, now hides a secret rich and mysterious enough to trap all who enter . . . and someone in town is willing to terrorize, murder, and raise the very devil to keep that secret to themselves. When a transistor thought to be the key to telepathic communication is found, Albert Campion is called to sort fact from fiction. But the device at the center of the mystery is in the possession of two schoolboys, and whether they stole it or invented it, there are others who will kill to get hold of it. "Allingham has a strong, well controlled sense of humour, a power of suggesting character with a few touches and an excellent English style. She has a sense of the fantastic, and is never dull!" --Times Literary Supplement

Who'd have thought mind reading could be such a pain? I mean, I expected to discover everyone's silly secrets. But someone is planning something very strange--and it's no joke!

Upset by a classmate's remark comparing her legs to those of a flamingo, kindergartener Nora receives a magic bubble wand from her mother that helps her read people's minds, sparking a fantastical journey that helps Nora understand how people do not always say what they think. A first picture book.

High school junior, Kylie Bates, can suddenly read minds. When she touches people's hands, she's able to see their deepest thoughts. As if that's not freaky enough, her dad sends her to help hottie detective, Sam Williams, track down a missing girl. Way too much pressure, especially for a girl who can't watch Scream without getting nightmares. Then, finding the missing girl leads to much more than Kylie's prepared for. Like discovering that her dad has been lying to her. That she has a family she never knew about. That the girls have powers similar to hers. Oh yeah, and that someone is out to get her. When the detective's teenage wanna-be-cop cousin, Trip Williams, approaches Kylie at school insisting she help him solve the case, she discovers Trip might be the only one she can trust, and the only one to help her unravel the secrets behind her mysterious gift.

Emmie is a 12 year old girl who has a special talent. Her mom calls it a gift but Emmie does not agree. Being a mind reader is not at all what it's made out to be and Emmie constantly finds herself in trouble. The girls at school think she's creepy and try to avoid her. This leads to an ongoing change of schools and a struggle to make friends, leaving Emmie feeling lonelier than ever. However, when Emmie and her mom decide to move to Carindale, Emmie happens to meet a girl called Millie Spencer and everything changes. Emmie has never had a best friend before and feels that finally her life has turned in a positive direction. Meeting Millie's friend, Jack adds to the excitement, especially when she realizes he is someone she cannot stop thinking about. Then some strange events take place and when Millie's old friend, Julia Jones makes an unexpected visit, Emmie's world turns upside down. Can she use her mind reading abilities to help her or will she find herself in more trouble than ever before? If you enjoyed Julia Jones' Diary then Mind Reader is another series that you will love. This exciting book for girls is filled with unexpected plot twists and turns, drama, romance, boy crushes, friendship issues and much, much more. It will hook you in from beginning to end and is sure to become a new favorite!

Chocolates are fine and flowers rarely disappoint, but for relationships on the rocks, nothing says, 'I love you' like the promise of renewal. In I'm Not a Mind Reader, Babits reveals that too often, even the smartest people have difficulty communicating, and we've learned over the years that love isn't enough to repair the normal wear and tear that occurs in relationships. So, what can couples do when even love itself fails? Babits lays out a totally unique blueprint for renewal in The I'm Not a Mind Reader, explaining that every message from one partner to another can be considered in terms of three separate dimensions: The surface level--this is the literal meaning of what partners say to one another The emotional subtext of the message--its emotional undertone The third dimension--evaluating the first two and comparing them with the goal of creating emotional safety within the dialogue Armed with this formula, whatever needs to be better understood, resolved, expanded or modified in the relationship can be addressed and communication brings coherence and connection. The person who practices three-dimensional communication lives in full and vibrant color compared with seeing everything in black and white. This new method is vivid and textured; it promotes the capacity to negotiate differences, to clarify misunderstandings, to heal confusions, and to reinvigorate passion and trust.

Aaron's special power might just be the coolest- or scariest- thing ever! It's always helped with his bad-boy reputation, his rightfully arrogant all-knowing intimidation seemed to go a long way with his academic and romantic life. That is, until he met Violet, one of the smartest girls in school: a girl he's been using for years, zoning in on her mind to ultimately cheat on tests. Until one day, she failed him. Her mind wandered all over the place and he couldn't help but sympathize, curiosity got the best of him. Aaron depends so much on his mind-reading capabilities that when they suddenly disappear-- so does everything he hasn't worked for. His secret was like Samson and his hair, once it's told, the magic's all gone.

The internationally bestselling guide to "mind-reading" by influencing those around you via non-verbal communication, from human psychology expert Henrik Fexeus. How would you like to know what the people around you are thinking? Do you want to network like a pro, persuade your boss to give you that promotion, and finally become the life of every party? Now, with Henrik Fexeus's expertise, you can. The Art of Reading Minds teaches you everything you need to know in order to become an expert at mind-reading. Using psychology-based skills such as non-verbal communication, reading body language, and using psychological influence, Fexeus explains how readers can find out what another person thinks and feels-- and consequently control that person's thoughts and beliefs. Short, snappy chapters cover subjects such as contradictory signs and what they mean, how people flirt without even knowing it, benevolent methods of suggestion and undetectable influence, how to plant and trigger emotional states, and how to perform impressive mind-reading party tricks. Fexeus gives readers practical (and often fun) examples of how to effectively mind-read others and use this information, benevolently, both in personal and professional settings.
