A nursing associate is a member of the nursing team in England that helps bridge the gap between health and care assistants and registered nurses. Nursing associates work with people of all ages, in a variety of settings in health and social care. The role contributes to the core work of nursing, freeing up registered nurses to focus on more ...

**Nursing Associates - Nursing and Midwifery Council**

Under the direction and supervision of nurses and patient support services managers, nursing and patient care assistants will undertake a range of duties which support clinical care. These include cleaning, catering and traditional orderly duties, for example, patient movement and transporting patients to appointments and procedures within a hospital or aged care facility.
