Administrator's Guide*

Search for the user to whom you wish to grant AME roles. In the results table, click Update. In the Update User page, you can view user details along with a list of roles available to the user. Click Assign Roles. Select the roles from the resulting list

File Type PDF

Oracle

Workflow User
Guide R12

and click Apply. When you assign any of the five predefined roles to a user, you are indirectly assigning AME responsibilities to the user. Note: You can create custom roles to meet your requirements.
