With national conversation turned toward sexual assault on college campuses, knowing how to identify, prevent, and address these incidents in a safe, and productive way is essential for administrators and faculty. Uprooting Sexual Violence in Higher Education provides colleges and universities with a foundational understanding of twelve risk factors related to sexual assault, stalking, and intimate partner violence. By presenting a blend of theory, research, and the personal reflections of professionals 'on the front lines,' this book provides insights into the motivations, attitudes, and behaviors behind sexual assault on campus, as well as strategies for mitigating these risk factors in an effort to tailor prevention efforts. Whether you are seeking a way to navigate the recent regulations on sexual violence from the federal government or merely wish to safeguard the welfare of students on your campus, this book will provide the necessary, and invaluable foundation you need to empower, respect, and support all students.

In this comprehensive, practical, and gripping assessment of various forms of violence against women, Pamela Cooper-White challenges the Christian churches to examine their own responses to the cry of Tamar in our time. She describes specific forms of such violence and outlines appropriate pastoral responses. The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence.

"In her stunning memoir, Kelly Sundberg examines the heart-breaking bonds of love, detailing her near decade-long marriage's slide into horrific abuse. Sundberg shares her own confusions, fears and empathy for her violent husband, even as she comes to realize he will never change. This is an immensely courageous story that will break your heart, leave you in tears, and, finally, offer hope and redemption. Brava, Kelly Sundberg."—Rene Denfeld, author of The Child Finder "A fierce, frightening, soulful reckoning—Goodbye, Sweet Girl is an expertly rendered memoir that investigates why we stay in relationships that hurt us, and how we survive when we leave them. Kelly Sundberg is a force. She has written the rare book that has the power to change lives."—Christa Parravani, author of Her: A Memoir In this brave and beautiful memoir, written with the raw honesty and devastating openness of The Glass Castle and The Liar's Club, a woman chronicles how her marriage devolved from a love story into a shocking tale of abuse—examining the tenderness and violence entwined in the relationship, why she endured years of physical and emotional pain, and how she eventually broke free. "You made me hit you in the face," he said mournfully. "Now everyone is going to know." "I know," I said. "I'm sorry." Kelly Sundberg's husband, Caleb, was a funny, warm, supportive man and a wonderful father to their little boy Reed. He was also vengeful and violent. But Sundberg did not know that when she fell in love, and for years told herself he would get better. It took a decade for her to ultimately accept that the partnership she desired could not work with such a broken man. In her remarkable book, she offers an intimate record of the joys and terrors that accompanied her long, difficult awakening, and presents a haunting, heartbreaking glimpse into why women remain too long in dangerous relationships. To understand herself and her violent marriage, Sundberg looks to her childhood in Salmon, a small, isolated mountain community known as the most redneck town in Idaho. Like her marriage, Salmon is a place of deep contradictions, where Mormon ranchers and hippie back-to-landers live side-by-side; a place of magical beauty riven by secret brutality; a place that takes pride in its individualism and rugged self-sufficiency, yet is beholden to church and communal standards at all costs. Mesmerizing and poetic, Goodbye, Sweet Girl is a harrowing, cautionary, and ultimately redemptive tale that brilliantly illuminates one woman's transformation as she gradually rejects the painful reality of her violent life at the hands of the man who is supposed to cherish her, begins to accept responsibility for herself, and learns to believe that she deserves better.

While panhandling outside a coffee shop, Johnny, a Cree woman who lives on the streets, is shocked to recognize a face from her childhood, which was spent in a residential school. Desperate to hear the man acknowledge the terrible abuse he inflicted on her and other children at the school, Johnny follows Anglican bishop George King to his office to confront him. Inside King's office, Johnny's memories are fluid, shifting, and her voice cracks with raw emotion. Is the bishop actually guilty of what she claims, or has her ability to recollect been altered by poverty, abuse, and starvation experienced on the streets? Can her memories be trusted? Who is responsible for what? At its core, God and the Indian, by celebrated Aboriginal playwright Drew Hayden Taylor, explores the complex process of healing through dialogue. Loosely based on Death and the Maiden by Chilean playwright Ariel Dorfman, the play identifies the ambiguities that frame past traumatic events. Against the backdrop of Canada's Truth and Reconciliation Commission, which has facilitated the recent outpouring of stories from residential school survivors across the country, the play explores what is possible when the abused meets the abuser and is given a free forum for expression. Cast of 1 woman and 1 man.

Reports of mistreated children, domestic violence, and abuse of elderly persons continue to strain the capacity of police, courts, social services agencies, and medical centers. At the same time, myriad treatment and prevention programs are providing services to victims and offenders. Although limited research knowledge exists regarding the effectiveness of these programs, such information is often scattered, inaccessible, and difficult to obtain. Violence in Families takes the first hard look at the successes and failures of family violence interventions. It offers recommendations to guide services, programs, policy, and research on victim support and assistance, treatments and penalties for offenders, and law enforcement. Included is an analysis of more than 100 evaluation studies on the outcomes of different kinds of programs and services. Violence in Families provides the most comprehensive review on the topic to date. It explores the scope and complexity of family violence, including identification of the multiple types of victims and offenders, who require different approaches to intervention. The book outlines new strategies that offer promising approaches for service providers and researchers and for improving the evaluation of prevention and treatment services. Violence in Families discusses issues that underlie all types of family violence, such as the tension between family support and the protection of children, risk factors that contribute to violent behavior in families, and the balance between family privacy and community interventions. The core of the book is a research-based review of interventions used in three institutional sectors--social services, health, and law enforcement settings--and how to measure their effectiveness in combating maltreatment of children, domestic violence, and abuse of the elderly. Among the questions explored by the committee: Does the child protective services system work? Does the threat of arrest deter batterers? The volume discusses the strength of the evidence and highlights emerging links among interventions in different institutional settings. Thorough, readable, and well organized, Violence in Families synthesizes what is known and outlines what needs to be discovered. This volume will be of great interest to policymakers, social services providers, health care professionals, police and court officials, victim advocates, researchers, and concerned individuals.

WINNER OF THE HILLMAN PRIZE FOR BOOK JOURNALISM, THE HELEN BERNSTEIN BOOK AWARD, AND THE LUKAS WORK-IN-PROGRESS AWARD * A NEW YORK TIMES TOP 10 BOOKS OF THE YEAR * NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST * LOS ANGELES TIMES BOOK PRIZE FINALIST * ABA SILVER GAVEL AWARD FINALIST * KIRKUS PRIZE FINALIST NAMED ONE OF THE BEST BOOKS OF 2019 BY: Esquire, Amazon, Kirkus, Library Journal, Publishers Weekly, BookPage, BookRiot, Economist, New York Times Staff Critics "A seminal and breathtaking account of why home is the most dangerous place to be a woman . . . A tour de force." -Eve Ensler "Terrifying, courageous reportage from our internal war zone." -Andrew Solomon "Extraordinary." -New York Times ,"Editors' Choice" "Gut-wrenching, required reading." -Esquire "Compulsively readable . . . It will save lives." -Washington Post "Essential, devastating reading." -Cheryl Strayed, New York Times Book Review An award-winning journalist's intimate investigation of the true scope of domestic violence, revealing how the roots of America's most pressing social crises are buried in abuse that happens behind closed doors. We call it domestic violence. We call it private violence. Sometimes we call it intimate terrorism. But whatever we call it, we generally do not believe it has anything at all to do with us, despite the World Health Organization deeming it a "global epidemic." In America, domestic violence accounts for 15 percent of all violent crime, and yet it remains locked in silence, even as its tendrils reach unseen into so many of our most pressing national issues, from our economy to our education system, from mass shootings to mass incarceration to #MeToo. We still have not taken the true measure of this problem. In No Visible Bruises, journalist Rachel Louise Snyder gives context for what we don't know we're seeing. She frames this urgent and immersive account of the scale of domestic violence in our country around key stories that explode the common myths--that if things were bad enough, victims would just leave; that a violent person cannot become nonviolent; that shelter is an adequate response; and most insidiously that violence inside the home is a private matter, sealed from the public sphere and disconnected from other forms of violence. Through the stories of victims, perpetrators, law enforcement, and reform movements from across the country, Snyder explores the real roots of private violence, its far-reaching consequences for society, and what it will take to truly address it.

"Cheryl Albers' reader for use in family sociology courses is a cutting edge collection of articles about cutting edge topics. She addresses nine topics central and critical to family sociology and provided thoughtful articles from diverse perspectives for each, from adolescent childbearing to the construction of family policy. This volume of readings is where the students are. It could enrich any instructor's approach to the burning questions in the field of family sociology." Dana Vannoy, University of Cincinnati

This is the first anthology to take a theoretical look at violence against women. Each essay shows how philosophy provides a powerful tool for examining a difficult and deep-rooted social problem. Stanley G. French, Wanda Teays, and Laura M. Purdy, all philosophers, present a familiar phenomenon in a new and striking fashion. The editors employ a two-tiered approach to this vital issue. Contributors consider both interpersonal violence, such as rape and battering; and also systemic violence, such as sexual harassment, pornography, prostitution, and violence in a medical context. The editors have further broadened the discussion to include such cross-cultural issues as rape in war, dowry deaths, female genital mutilation, and international policies on violence against women. Against this wide range of topics, which integrate personal perspectives with the philosophical, the contributors offer powerful analyses of the causes and effects of violence against women, as well as potential policies for effecting change.
