Smith and Hogan Criminal Law: Text and Materials is an essential, accessible guide to the criminal law. The eminently clear text that is the hallmark of the Smith & Hogan approach is supplemented by extracts from all of the key criminal law cases, together with other essential materials from statutes, reports, and articles. Introductory notes, commentary, summaries, and questions help students to contextualize the materials and to apply the law confidently, gaining an in-depth insight into the problems that the law poses and faces. The contents of the eleventh edition have been substantially revised and restructured to present the materials in an order that closely matches the structure of contemporary courses on criminal law. The overall

approach that the book takes has been adjusted to include significantly more explanatory text, thus ensuring that the book is suitable for use as a core textbook. The latest legislation and all of the recent cases that continue to shape the law are included, providing the law student with everything they need to develop a thorough understanding of the key cases and the legal principles that they illustrate.

A comprehensive and up-to-date exposition of criminal procedure in a straightforward style. The various stages of a criminal case are examined in depth and reference is made to statutory law materials and to relevant case law. The book includes the changes made to the Court of Appeal by the Criminal Act 1995 and the provisions relating to criminal proceedings, pre-trial hearings and disclosure of evidence contained in the Criminal Procedure and Investigations Act 1996. Intended for undergraduates, postgraduates and students on the BVC and LPC, it should also be useful for practitioners appearing in the criminal courts.

This is the new edition of the leading textbook on criminal law by Professors Simester and Sullivan, now co-written with Professors Spencer, Stark and Virgo. Simester and Sullivan's Criminal Law is an outstanding account of modern English criminal law, combining detailed exposition and analysis of the law with a careful exploration of its theoretical underpinnings. Primarily, it is written for undergraduate students of criminal law and it has become the set text in many leading universities. Additionally, the book is used as an important point of reference in academic writing and postgraduate research in England and abroad. Simester and Sullivan's Criminal Law has been cited by appellate courts throughout the world. Review of Previous Edition: '... undoubtedly a first-rate companion for any undergraduate or post-graduate law course. Since attaining international recognition and citation in appellate courts worldwide, the security of the text's position as a point of academic reference remains as steadfast as ever.' John Taggart, Criminal Law Review

This comprehensive casebook provides extracts from all of the key cases along with other essential materials from statutes, reports, books, and articles. Notes and questions provide context and encourage deep learning. It is the perfect companion to a textbook such as Smith and Hogan Criminal Law.

Public Law: Text, Cases, and Materials offers a fresh approach to the study of constitutional and administrative law by exploring how the law works in practice. The inclusion of extracts from key cases, government reports and academic articles demonstrates the law in action and the incisive commentary that accompanies them explains the significance of each. The expert authors have distilled their knowledge of the institutions and legal principles into concise, focused prose, and they encourage reflection through regular questions and hypothetical examples. This leading text provides students with a thorough and wide-ranging knowledge of public law, together with a full understanding of the theoretical and political debates in this fascinating and dynamic area of law. Online Resource Centre This book is accompanied by an Online Resource Centre which provides a link to the authors' Twitter feed, web links to useful sites and, for lecturers, a test bank of multiple choice questions with answers and feedback.
