Tevye's Daughters is one volume of a two-volume collection of Aleichem's stories, and the figure of Tevye appears in a half-dozen or so of t. It's sad to think that this edition of Sholem Aleichem's stories was published in 1949--when the life he writes about was already completely destroyed.

**Tevye's Daughters: Collected Stories of Sholom Aleichem** ...

"Tevye's Daughters: Collected Stories of Sholom Aleichem" was first published in an English translation in 1949, with illustrations by Ben Shahn. Sholem Aleichem, the secular writer, chronicled the ultimate fate of millions of Tevyes and Goldes, who tried desperately to build a wall around the shtetl, but failed.

Wives and Daughters was first published serially in the Cornhill Magazine from August, 1864, to January, 1866. Elizabeth Gaskell died suddenly in November, 1865. She had completed all but the last chapter, and in that sense the book, which many consider her masterpiece, is unfinished.

Thirty short stories about the difficulties of a peasant who tries to marry off his children.

The Crawley sisters of Downton Abbey? The Bennet sisters of Pride & Prejudice? The daughters born to Zelophehad? Why mention any of these women in the same breath as the beloved characters in the Broadway musical Fiddler on the Roof? Conventional wisdom has it that Fiddler on the Roof is about Tevye, a beleaguered patriarch persecuted by his neighbors and "desperately clinging to Tradition." But in this surprising eBook, Jan Lisa Huttner turns the reader's focus away from Tevye and onto his daughters. What is tradition? Who makes the matches? Should people who want to marry each other be allowed to make that choice? These questions are just as important now as they were fifty years ago--in 1964--when Fiddler on the Roof made its original debut on the Broadway stage. Other recent books have discussed the stories of Sholem Aleichem and the canvases of Marc Chagall, the two undisputed sources of Fiddler on the Roof. But for Huttner, the creators of Fiddler on the Roof were also participants in a Great Conversation about women's rights conducted over a span of two thousand years from the original compilation of the Hebrew Bible right up to the present day. Huttner examines the "synergies" that made Fiddler on the Roof such a phenomenal and unexpected-success back in 1964. These synergies not only help account for Fiddler on the Roof's extraordinary longevity, but also explain why stage performances of Fiddler on the Roof continue to be so resonant today. Huttner writes in a lively style but her intent is deeply serious. When we skip over, trivialize, or otherwise ignore the female characters in Fiddler on the Roof, we not only denigrate half of the world's population, we also fail to appreciate the full power of a great work of art.

Of all the characters in modern Jewish fiction, the most beloved is Tevye, the compassionate, irrepresible, Bible-quoting dairyman from Anatevka, who has been immortalized in the writings of Sholem Aleichem and in acclaimed and award-winning theatrical and film adaptations. And no Yiddish writer was more beloved than Tevye's creator, Sholem Rabinovich (1859-1916), the "Jewish Mark Twain," who wrote under the pen name of Sholem Aleichem. Beautifully translated by Hillel Halkin, here is Sholem Aleichem's heartwarming and poignant account of Tevye and his daughters, together with the "Railroad Stories," twenty-one tales that examine human nature and modernity as they are perceived by men and women riding the trains from shtetl to shtetl.

A sparkling and eye-opening history of the Broadway musical that changed the world In the half-century since its premiere, Fiddler on the Roof has had an astonishing global impact. Beloved by audiences the world over, performed from rural high schools to grand state theaters, Fiddler is a supremely potent cultural landmark. In a history as captivating as its subject, award-winning drama critic Alisa Solomon traces how and why the story of Tevye the milkman, the creation of the great Yiddish writer Sholem-Aleichem, was reborn as blockbuster entertainment and a cultural touchstone, not only for Jews and not only in America. It is a story of the theater, following Tevye from his humble appearance on the New York Yiddish stage, through his adoption by leftist dramatists as a symbol of oppression, to his Broadway debut in one of the last big book musicals, and his ultimate destination—a major Hollywood picture. Solomon reveals how the show spoke to the deepest conflicts and desires of its time: the fraying of tradition, generational tension, the loss of roots. Audiences everywhere found in Fiddler immediate resonance and a usable past, whether in Warsaw, where it unlocked the taboo subject of Jewish history, or in Tokyo, where the producer asked how Americans could understand a story that is "so Japanese." Rich, entertaining, and original, Wonder of Wonders reveals the surprising and enduring legacy of a show about tradition that itself became a tradition. Wonder of wonders, miracle of miracles.

Tevye is the compassionate, lovable, Bible-quoting dairyman from Anatevka, and Tevye the Dairyman is a heartwarming and poignant account of life in turn-of-the-century Russia. Through the workaday world of a rural dairyman, his grit, wit, and heart, his daughters' courtships and marriages, and the eventual menace of the pogroms, Sholem Aleichem reveals the fabric of a now-vanished world.Motl is the clear-eyed, spirited, mischievous boy who narrates Motl the Cantor's Son, a comic novel about his emigration with his family from Russia to America. It is a journey that mirrors a larger exodus, telling the story of the disintegration of traditional Jewish life and the beginning of a new chapter of Jewish history in America.

AFTER ANATEVKA follows Sholom Aleichem's timeless character, Tevye the milkman, as he moves his family from Russia to Palestine. Tevye, the wisecracking, Bible-quoting man of God, tells the story of his family's new life against the backdrop of the conflict between Jews and Arabs in the Holy Land prior to the establishment of the State of Israel. In AFTER ANATEVKA, Tevye decides to take his wife and three youngest daughters (the three eldest remain in Russia with their husbands) to live on a kibbutz where he must adjust to a secular lifestyle and struggle with the tension between the kibbutzniks' "religion" of labor and his Jewish beliefs. While Tevye is uncomfortable with the lack of religiosity on the kibbutz, he is gratified to be the one who can teach the laws and traditions of Judaism to the members. As the most learned man on the secular kibbutz, Tevye takes on his long desired role to be the authority on Jewish law who is sought out for answers to difficult questions of law and religion. The clash between tradition and life in Palestine manifests itself, however, in Tevye's relationship with his daughters, who become assimilated in the kibbutz culture. For example, Tevye is thrilled to learn that one daughter wants to marry the son of a wealthy Jew from the city, but is dismayed when he discovers the young man is a socialist who is estranged from his family. A second daughter, Devorah, works in the Kibbutz infirmary and falls in love with an injured fighter from the Jewish underground. When the injured fighter is arrested, Devorah goes to take his place. To Tevye's chagrin, she eschews a traditional female role and becomes a soldier who eventually assists with the illegal immigration of Jews to Palestine. Through her efforts to save Jews, Tevye learns the full horror of the Holocaust. For Tevye's wife, Golde, the most important thing in life is keeping her family together. After Golde unexpectedly gives birth to twins, a boy and a girl, Tevye finally has a son. Meanwhile, Golde secretly stays in touch with her daughters Hodel and Tzeitel in Russia and Chava, who married out of the faith and moves to the United States. Tevye has disowned Chava and, despite Golde's pleas, refuses to utter her name. Despite the time and distance apart, Golde dreams that the family will someday be reunited. AFTER ANATEVKA is set against the backdrop of the Zionist conflict with the Arabs. Tevye develops a relationship with a Bedouin sheikh, who explains why the Arab claim to Palestine is as valid as that of the Jews, which convinces Tevye war is inevitable. Before fighting for survival in Palestine, however, the Zionists must first win the political battle at the United Nations where a vote will be held to determine whether Palestine should be divided into a Jewish and an Arab state. Millions of people around the world are familiar with the stories of Sholom Aleichem from the movie and play, Fiddler on the Roof, which was an amalgamation of stories about Tevye and his family. The author wrote other stories involving Tevye, however, which were not in Fiddler. AFTER ANATEVKA is inspired by one of those stories, "Tevye Goes To Palestine."

This masterwork of interpretative history begins with a bold declaration: "The Modern Age is the Jewish Age, and the twentieth century, in particular, is the Jewish Century." The assertion is, of course, metaphorical. But it drives home Yuri Slezkine's provocative thesis: Jews have adapted to the modern world so well that they have become models of what it means to be modern. While focusing on the drama of the Russian Jews, including émigrés and their offspring, The Jewish Century is also an incredibly original account of the many faces of modernity—nationalism, socialism, capitalism, and liberalism. Rich in its insight, sweeping in its chronology, and fearless in its analysis, this is a landmark contribution to Jewish, Russian, European, and American history.

"In The Third Daughter, Talia Carner ably illuminates a little-known piece of history: the sex trafficking of young women from Russia to South America in the late 19th century. Thoroughly researched and vividly rendered, this is an important and unforgettable story of exploitation and empowerment that will leave you both shaken and inspired." —Pam Jenoff, New York Times bestselling author of The Lost Girls of Paris The turn of the 20th century finds fourteen-year-old Batya in the Russian countryside, fleeing with her family endless pogroms. Desperate, her father leaps at the opportunity to marry Batya to a worldly, wealthy stranger who can guarantee his daughter an easy life and passage to America. Feeling like a princess in a fairytale, Batya leaves her old life behind as she is whisked away to a new world. But soon she discovers that she's entered a waking nightmare. Her new "husband" does indeed bring her to America! Buenos Aires, a vibrant, growing city in which prostitution is not only legal but deeply embedded in the culture. And now Batya is one of thousands of women tricked and sold into a brothel. As the years pass, Batya forms deep bonds with her "sisters" in the house as well as some men who are both kind and cruel. Through it all, she holds onto one dream: to bring her family to America, where they will be safe from the anti-Semitism that plagues Russia. Just as Batya is becoming a known tango dancer, she gets an unexpected but dangerous opportunity—to help bring down the criminal network that has enslaved so many young women and has been instrumental in developing Buenos Aires into a major metropolis. A powerful story of finding courage in the face of danger, and hope in the face of despair, The Third Daughter brings to life a dark period of Jewish history and gives a voice to victims whose truth deserves to finally be told.

Revisits fiction by the three major Yiddish authors who wrote between 1864 and 1916, exploring their literary and social worlds.
