The Cisco TelePresence System User Guide describes the functions of the control device for the system (either the Cisco TelePresence Touch device or the Cisco Unified IP phone) and the user interfaces,

Access Free User Guide Cts

including main display screen details and system icons. Your system uses one of the following devices for call control:

~~Cisco TelePresence System User Guide~~

This User Guide presents the functioning of the CTS in the training environment. When participating in Pre-Production Testing Events, deploying countries need to have their MTC uploaded in the acceptance environment. If a country has its MTC uploaded in training, that national MTC has to be uploaded again in the acceptance environment.
