Perfect for beginners of all ages, it is also a great tool for parents to teach their kids. Learning how to play the ukulele has never been easier! This complete, clear and concise method takes you from simple children's songs to preparing you to play your favorite pop tunes! It includes helpful pictures, diagrams, practice tips, strumming patterns and more! Progress through these pages at your own pace, and most of all, enjoy!

Exploding onto the world stage in 1991 with their multi-platinum first album, Ten, Pearl Jam courted controversy and conflict. They won credibility with their astounding second album, Vs., in 1993, which became the fastest-selling American album of all time. In Pearl Jam and Eddie Vedder: None Too Fragile, Martin Clarke brings to life the band's tumultuous history; from their beginnings amidst Seattle's grunge underground, through the excesses and pressures of superstardom, to their current incarnation as mature rock heavyweights.

Learn everything ukulele—from chord progressions to playing pop, folk, and holiday favorites—and, yes, even Hawaiian music! The ukulele is hot. The season one finale of Glee featured a ukulele. The recent hit song "Hey Soul Sister" by Train includes the dulcet tones of a uke. Not to mention the runaway success of the Ukulele Orchestra of Great Britain. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Taking its title with suitable slacker irony from a song on Nirvana's In Utero, Milk It! is an anthology of pieces written in the heat of the moment—an urgent and diverse overview that mirrors the chaotic rush of the postmodern sounds it covers. Headnotes and connective material—the "stories behind the stories"—provide running commentary on the music business, rock criticism, a troubled generation, and an attempt to put the fast-moving alternative-rock era in perspective from the safe distance of the comparatively bland new millennium. Compiled by a critic who shared the Generation X outlook, attitude, and biting sense of humor with the musicians that he covered—Nirvana, Pearl Jam, Smashing Pumpkins, Hole, and many others—Milk It! is the first serious attempt to chart the alternative music scene. Compelling, amusing, and provocative, Milk It! captures the excitement of an era, and reckons with its enduring influence.
